Term 1 of 2018

Week 11

10th April 2018

It's Week 11! Only 4 more days of this term left! I can't believe we are almost $\frac{1}{4}$ of the way through this year already! I hope everyone had a relaxing Easter.

This week, we are off to Dubbo for our overnight excursion. It should be great! We will be checking for animals that are native to Nepal to

round off our Geography unit this term. The students have all enjoyed learning about Nepal and have a lot of interesting knowledge about this land-locked country.

Please remember to bring in your Scarecrow materials. I know Mrs Wheeler is very keen to get them made early next term.

I would like to extend a very warm welcome to Chelsea and her family! Chelsea has started in Year 5 this week, and we are looking forward to getting to

know her and sharing our lovely little school environment with her.

A quick reminder that, as a teaching principal, I am actually teaching the students most days. If you have any concerns, please ring the office, or send in a note, and I will arrange a time to meet, usually a Friday, because that is when Mrs Carter is here. Unless it is an emergency, it is not appropriate to try and address concerns in the playground when I am supervising the students.

Wyangala Bonfire & Fireworks Spectacular

Sunday of this
June Long Weekend

Matt Morrison Oval, Sixth Avenue, Wyangala

The Student of the Month is a much sought after award for all students. Class Dojo's are awarded for good work, good manners, improvement, citizenship and sportsmanship. These are online and are tallied up at the end of the month to find the winning student or students.

The winning student then has his/her photo displayed in the display case on the main verandah at school and the Wyangala Country Club Foyer. The pupil also has extra free choice time and wins a special dinner from Wyangala Country Club Bistro. Thank you.
