Term 4 of 2018

Week 6
21st November 2018

As the year flies by, and we are in Week 6 already, our calendar is FULL!

Intensive swimming lessons have started and I love watching as the children gain greater confidence in the water and achieve their personal improvement goals. It's also good to see the students consolidating friendships with students from the other small schools attending – Woodstock, Greenethorpe and Koorawatha. This builds social confidence and resilience as our students interact with larger groups of children and adults. Plus we get to see some familiar faces, like Mrs Dickson, Mrs Page, and of course Mrs Carter. And I get to see former students and colleagues as well.

We had a fantastic day at the Dam last Friday and have to say a HUGE thank you to Pat and all the Wyangala Fishing Club members. The children haven't stopped talking about their day of FUN and fishing! It was even better to be able to share this experience with the students and teachers from Woodstock Public School. All the students really enjoyed the day, as did the teachers, and our visiting Principal from another school.

The students are working hard on their performances for Presentation Night. I have been sworn to secrecy about their productions, but suffice to say, it will be wonderful to showcase the students' learning and share it with our community.

Dates to Remember

November

19th—23rd

Intensive Swimming

23rd Tennis

23rd Scripture

24th Fairy Bread Day

26th Year 6 High School
Transition Day

27th Cowra Ballet School
Performance

28th Skin Care

30th Tennis

30th Dance

December

7th Tennis

7th Dance

7th P&C Meat Raffle

7th Cowra Christmas
Street Festival

12th-14th

Borambola

17th Dam Fun Day with
Woodstock PS

19th Dance

19th Presentation Night

19th Last Day of Term 4

20th Staff Development Day

January 2019

29th Staff Development Day

Next Tuesday, we are going to Cowra Civic Centre to see the Enchanted Tales of Belle, performed by the Cowra Ballet School. It should be a great show! Miss Hayley has been teaching our students dance in Term 3 and 4 this year, and it will be good for them to see what can be achieved with hard work and practise. It is also a chance to acknowledge the extra-curricular activities that students often undertake – whether sports, dance, acting, Scouting, or other activities – and realise just how full children’s lives are.

We have a visit from a skin care specialist on Wednesday next week, to teach us the importance of looking after our skin. It’s not just because I am excellent at nagging that I am always asking people where their hats are!

And finally, but definitely, importantly!! Saturday, 24th November is NATIONAL FAIRY BREAD Day! One of the most important days of the year! We will be celebrating a little early, on Thursday (because I am out of the school on Friday and I DO NOT want to miss out!!) by making Fairy Bread for recess! There are many skills involved in this activity, including, but not limited to: writing and following a recipe; fine motor skills of spreading, pouring, cutting; manners and socialising; vocabulary skills to describe the deliciousness; and, of course FUN!

Cheers,

Mrs Sue Clark
Acting Principal

Intensive Swimming Lessons

19th to 23rd November 2018

1.00pm to 2.30pm

Cowra Ballet School

Tuesday 27th November 2018

Permission note in this newsletter

Road safety

Your guide to driving and parking safely near schools

The beginning and end of the school day are busy times for pedestrians and vehicles outside the school. That's why you need to take extra care in 40km/h school zones.

- Park safely and legally, even if it means walking further to the school gate. Parking signs are planned with children's safety in mind.
- Slow down to 40km/h in the school zone and stay aware of crossings.
- Always park and turn legally around the school.
- Never double park as it puts children at risk.
- Manoeuvres such as U-turns and three-point turns are dangerous.
- Never park in a bus zone or in the school bus bay.
- Make sure your children use the Safety Door (rear footpath side door) to get in and out of the car.
- At a supervised crossing, observe the directions of the school crossing supervisor.
- Model safe and considerate behaviour for your child – they will learn from you.

Remember to always give way to pedestrians particularly when entering and leaving driveways. Don't park across the school driveway or the entrance to the school car park. It's always a good idea to use the drop off and pick up area suggested by your school. This will help keep all children as safe as possible during the busiest times of the school day.

For more information on keeping our kids safe around schools visit the parents section on [safetytown.com.au](https://www.safetytown.com.au)

Lives lost on NSW roads.
Our goal is zero.
