Term 4 of 2018

Week 7
28th November 2018

ARE YOU
READY?

OK, Week 7! We are ready for you!

The students did exceptionally well in their intensive swimming lessons. I am so pleased with the improvement in their confidence in swimming. Swimming is a very valuable skill to have and with Summer fast approaching, and water sports being a favourite past-time here, I am very glad that all of our students have participated in these lessons and have upgraded their swimming skills and confidence.

This week is a little less frantic than last week, but only a little! On Tuesday we are off to watch the Cowra Ballet School's performance of The Enchanted Tales of Belle. And what a fantastic performance it was! The young people involved did a fantastic job. I can only imagine the

hours of practise they have put in! And just how fortunate are we to have the talent of the wonderful Miss Hayley teaching dance to our students here. There are performances for the public on Friday and Saturday nights, with tickets available from the Civic Centre any afternoon this week.

On Wednesday we have Libby coming to teach our senior students the importance of skin care. And Friday is time for tennis and Dance.

The students are all practising for the end of year Presentation Night and looking forward to showcasing their work for you.

It is getting very busy in the classroom and office, as reports, 3-Way Conferences (with students, parents and teachers) are due, along with more outings, including School Camp at Borambola and the fun day at the Dam with Woodstock Public School, all while still finishing off our learning and staff development requirements.

Cheers,

Mrs Sue Clark
Acting Principal

Road safety

Keeping safe around school crossings

For your child's safety, it's very important to ensure they use the school crossing.

At all crossings you must wait on the footpath, at least one step back from the edge of the road.

If there's a School Crossing Supervisor, wait until they have stopped the traffic and called you to cross.

If you are driving, you must not proceed until the School Crossing Supervisor's hand-held sign is no longer displayed, or until the crossing supervisor indicates that you may proceed through the crossing.

Children's crossings

Children's crossings are usually part-time crossings that operate before and after school hours. They can also operate at other times when children use the crossing for excursions or during break times. When 'Children Crossing' flags are displayed, you must stop at the white line if pedestrians are waiting to cross. Drivers must remain stationary until the crossing is clear of pedestrians.

For more information on keeping our kids safe around schools visit the parents section on safetytown.com.au
