Celebrating the end of the School Year

And just like that, another school year is over! I can't believe that I have had the honour of being Acting Principal for a year. I have really enjoyed getting to know the team, the students, and the community members of Wyangala. What a beautiful town you have here, and what a fabulous little school.

What a fantastic year it has been! We've had excursions to Dubbo Zoo and Borambola Sport & Rec, the ballet, Cowra Council, Library and 131 Pizza, dirtgirl and scrapboy, just to name a few. We've participated in gymnastics, swimming, dance, and tennis, as well as all the carnivals. We've represented at District carnivals and the Western Swimming Carnival. We've had Book Week parade, and dressed up as what we want to be when we grow up. There was Harmony Day celebrations. We've been involved in community events including the Inaugural Day For Daniel Fun Run, Wyangala Dangers Fishing Fun Day, and The Biggest Morning Tea! Add to that the Working Bees, The Big Lift and Tree Planting Day, and no wonder our school looks so great!

I am very happy to say that I will be Acting Principal for 2019. So, along with Ruth Carter, Lea Smith, Robert Savell, and Jenny Hamilton, I look forward to continuing to promote the school and hopefully attract more students. Then our school can grow and continue to provide our community with a quality teaching and learning experience into the future.

I would like to wish you all a very relaxing and happy Christmas spent with those you love. And may 2019 bring the best of everything your way.

Happy (and RELAXING!) holidays, from my family to yours!

Road safety

Helping children on and off the bus safely

Your children are most at risk in the minutes after getting off the bus. Here are some ways you can reduce this risk:

- Always meet your child at the bus stop. Never meet them on the opposite side of the road and call them across.
- Wait until the bus has gone, then choose a safe place to cross the road. Remember to Stop! Look! Listen! Think!
- If you cannot meet your child, organise for another trusted adult to take your place.
- Wait at the bus stop and stand at least one step back from the edge of the road.
- Always wait until the bus has gone, then use a safe place to cross.
- Buckle up if the bus has seatbelts.

Model safe pedestrian behaviour. Children learn safe road user habits from you and will continue them later on when they are old enough to travel alone.

Until your child is at least eight years old, hold their hand on the footpath, in the carpark and when crossing the road. Up until at least 10 years old, supervise your child very closely, holding their hand when crossing the road.

STOP!

one step back from the kerb

LOOK!

continuously both ways

LISTEN!

for the sounds of approaching traffic

THINK!

whether it is safe to cross and keep checking until safely across

Messages to share with your children in Kindergarten to Year 2

Hold a grown up's hand when:

- you cross the road
- you're on the footpath
- you're in a car park

Messages to share with your children in Years 3 and 4

- Hold an adult's hand when you cross the road
- Use a safe place to cross the road

Messages to share with children in Years 5 and 6

- Stop! Look! Listen! Think! every time you cross the road and keep checking until safely across

Kindergarten to Year 6

- Wait until the bus has gone and then use a safe place to cross
