Term 3 of 2019

Week 8
10th September 2019

Dear Parents, Carers and Community Members,

Term 3 is certainly flying by. We are well into Week 8 now, with so much still to do. I apologise for no Newsletter last week. We are now settled into our new routine and should be on track from hereon in.

Our school display at the Woodstock Show was a hit and we can all be very proud of the

standard of work that our children produce. I am looking forward to sharing their work the Cowra Show next month.

Our recycled artworks go in today, so let's all keep our fingers and toes crossed that the children's work, led by Jackie and Rob's planning, is successful. The A-Z of Transport was a huge challenge and everyone has enjoyed creating the display.

Yesterday, we travelled to Canowindra and enjoyed the Taiko Drumming performance with other Cowra Small Schools, Canowindra Public School, and St Edwards. What a fantastic show. Chelsea was chosen to perform on stage. She was brilliant! We then joined Woodstock Public School on a tour of the Age of Fishes Museum where we saw fossils of fish from millions of years ago.

Dates to Remember

- 13th STEM 4 TEN at Koorawatha PS
- 13th P&C Meat Raffle
- 15th Recycled Art for Cowra Award
- 19th Talk Like a Pirate Day
- 27th Last Day of Term 3

October

- 14th First Day of Term 4
- 18th P&C Meat Raffle

It was very enjoyable for the students to again have the opportunity to socialise with students from Woodstock, Carcoar, Mandurama, Eugowra, and Greenethorpe schools. We know how important these friendships are, especially as our students head into secondary school settings, which are vastly different to small schools. Last week, Alison Finlayson, a teaching principal specialist, attended on Friday with the aim of guiding our school programming style. Mrs Carter and I both found this Professional Development opportunity to be incredibly worthwhile, and we look forward to continuing our association with Alison to bring the best opportunities to our school.

Our lovely Jenny has decided it's time to travel, so if anyone would like to fill the position of school cleaner (7 hours/week) please call in and pick up an application pack. We are definitely the losers here, and will miss Jenny very much, but look forward to seeing and hearing about her many adventures as she and Dick head off around our beautiful country.

As always, have a fabulous week.

Cheers, Sue

Clark
Relieving Principal

Please become a collector today

1) COLLECTOR

These volunteers offer to collect their plastic bottle lids from their home, school, workplace or community group (that isn't publicly listed) then deliver their lids to a local collection point (and can also help recruit new collection points).

2) **LOCAL COLLECTION POINT—WYANGALA DAM PUBLIC SCHOOL**

These volunteers offer their workplace, school or community group as a publicly listed collection point for their town or suburb then deliver their lids to a regional coordinator.
