Term 3 of 2019

Week 3

17th September 2019

Dear Parents, Carers and Community Members,

Another term done and dusted! Can you believe we are $\frac{3}{4}$ of the way through the year.

Last week was another busy time here at Wyangala. The students had a fabulous day

with Mrs Nottingham, making Pirate artworks and Picasso heads. Chelsea created a Boots Dog using a character design to develop all the interesting facets of the character. I hope you like her work. Mrs Carter and I were busily working with the other small school leaders in the Cowra Network while all this lovely creative learning was happening.

On Friday, the students headed over to Koorawatha for their second last STEM4TEN for the year. It has been a fantastic opportunity for the students to broaden and develop their STEM skills, and to network with other students and strengthen those friendships, especially as our Chelsea gears up for the transition to Secondary School next year.

The students have completed the unit of work Local History and all have handed in their advertisement encouraging people to visit Wyangala and attend our lovely school. I am, as always, blown away by the effort these kids put in to their work, and their innovative thinking to share their ideas.

We are opening the school grounds again these holidays, as part of the NSW Dept of Education's Share Our Space initiative. Please feel free to come in and use our playground during the break.

We are still looking for someone to take over the cleaning position as our lovely Jenny finishes this week. Please contact Olwen in the office for application forms. We wish you all the very best in your retirement, Jenny, but I understand that actually means you will be busier than ever!

As always, have a great week, and we will see you, ready for Term 4 Monday 14th October!

Cheers!

Sue Clark

from Mrs Ruth Carter

Chais, Tahlia and Chelsea enjoyed another day at Koorawatha Public School. They have used their thinking skills and in particular problem solving and creating skills. They have used fruit and vegetables as a electrical power source to control their small robots. Tray, the instructor, has spoken to the children about the addiction that online games can create. He has spoken about the way games are designed to give rewards and the way some of them are set up that makes the children keep coming back to the game. Examples of this may be feeding animal or they die.

Dear Parent/Guardian,

As a way to give back to our community we will be holding the *School Fun-Run* on **25th October 2019**. The funds raised will be donated to **Daniel Morcombe Foundation**. They aim to **make Australia a safer place for children** and we're very privileged to be able to help them.

About the Program

The *School Fun-Run* promotes healthy and active lifestyles while helping us raise funds! It's all about participation, with students treated to a great day as a reward for their fundraising efforts. Family support is key to our fundraising success and we encourage everyone to get involved.

How Does My Child Fundraise?

Firstly, go to schoolfundraising.com.au and create a student profile page. Everything to do with your fundraising revolves around this page. Once you have completed this, read through your Sponsorship Form, which has instructions on how to raise money and order prizes.

Students who raise just \$10 will receive a reward for their effort. The more they raise, the better their reward – don't forget to check these out in the sponsorship form! We have educated students on the dangers of door knocking without adult supervision, and we encourage you to reiterate this at home. The best people to ask for sponsorship are people you know (e.g. friends, family, work colleagues and neighbours).

Online Fundraising

The easiest way to help your child raise money is through online fundraising, where students raise an average of \$150. On top of raising more money, it's also safer and easier than doorknocking and you don't have to worry about handling money! To start fundraising online, go to your student profile page at schoolfundraising.com.au and share your online fundraising link.

Getting Involved

Not only can you support the school and students with your sponsorship – but you can join in on the fun! We would love to welcome parents and family members to attend the *School Fun-Run*. If you would also like to volunteer to help on the day, please contact me on the details below. I can't wait to see you at our event!

Ordering Prizes – ALL PRIZES MUST BE ORDERED ONLINE

Prizes MUST be ordered between the **1st November 2019** and **8th November 2019**. Simply visit schoolfundraising.com.au to create / log into your Profile Page between these dates. Then click on the 'CLAIM YOUR PRIZE' button and follow the prompts. If you have any questions, please contact the *School Fun-Run* team on 1800 FUN RUN and they will gladly assist!

Thank you, good luck and happy fundraising!
